About Us

Who We are and What We are Doing

In recent decades, electricity has become almost as essential to humanity as water or air. Nearly all devices for our convenience are powered by electricity.

Our Vision
 Offering our services to the majority. Whenever you need help with an electrical fault, you can get rid of all your problems with our service in a short time.

Our Mission
 We are genuinely available to customers 24 hours a day, 7 days a week, so our excellent professionals can resolve any issues as soon as possible.

Services

What We Offer

- Wiring**
 We can install or rewire your home or business. Our electricians are trained and experienced to handle all types of wiring projects.
- Panel**
 We can upgrade your electrical panel to a safer, more modern one. This is a critical safety upgrade for your home or business.
- Lighting**
 We can install energy-efficient LED lighting throughout your home or business. This can save you money on your energy bills.

About Us

We focus on customer

ABOUT US

About Us

40 Years of Experience

We focus on customer satisfaction and quality.

Our company is a building engineering company with 40 years of professional experience. We offer a wide range of plumbing services from the replacement of the tap to the most serious pipe leakage, with the best possible recommendation for the client. Our plumbers have the proper knowledge and know-how to work quickly, accurately, and efficiently.

Plumbing can be done during weekends or on holidays, and not only when only results have occurred, but it is worth preventing your plumbing system regularly for safety.

We undertake all types of plumbing and plumbing repairs. Call us on 0800 400 400.

PROJECTS

Projects

What we usually do and how we do it

6,154 12
 Total jobs done. Total service calls.

If the water system in your home or workplace is clogged, feel free to contact us for quick help. Professional and changing specialists provide several services.

Our tasks: floor drain, water leaks, bathtub, shower tray, urinal, toilet, basin, sink, plumbing, and professional clogging removal. We guarantee the work, we work without demerits.

All customers want to know how much they can expect in advance. In general, the cost of the plumbing work depends on the size of the job and the labor costs. The actual cost can only be determined after a free inspection or a free inquiry.

We have removed more than 5,000 blockages over the last 40 years.

Transparent construction for homeowners

Start and track your construction project without getting overwhelmed.

[GET STARTED](#)

Get cost and information transparency in construction. Keep track of your spending.

Be aware of cost, up front, to know the progress. For accuracy, Get a Project Manager to keep everything on track.

[OUR 3-STEP PROCESS](#)

"I learned this the hard way"

I wanted this the hard way, you don't need high quality people and cutting edge technology to be successful in home construction. You need people who care. My dream would be worked from start and end to help you get it. You want to build a house and save a lot of time? Or you want a team who can handle it.

03 Premium Quality

We Always Use Premium Quality Materials So That Our Clients Are

En plus du site internet, nous sommes ravis de vous présenter deux fonctionnalités web exclusives, optionnelles, qui peuvent transformer votre présence dans le secteur de la construction :

1. Calendrier de Visites de Chantiers

Offrez à vos clients la possibilité de planifier des visites sur place pour explorer vos projets en cours. Renforcez l'engagement, créez une transparence appréciée et développez des relations de confiance avec vos prospects.

2. Galerie d'Idées Inspirantes

Offrez à vos clients une galerie d'idées inspirantes pour leurs projets de construction. Présentez des exemples de réalisations réussies, des matériaux innovants, et des concepts architecturaux remarquables. Grâce à cette fonctionnalité unique, vous stimulez la créativité de vos clients et les aidez à visualiser leur projet idéal.

Ces fonctionnalités, conçues avec soin, peuvent être intégrées à votre site internet, afin de donner à votre entreprise du bâtiment un avantage compétitif et de renforcer vos relations clients.

Contactez-nous dès aujourd'hui pour un rendez-vous gratuit et découvrez comment Pixel Drop peut donner vie à votre vision digitale.
